## REMARKS

Mr. Bertrand stated that the Congressman had received a letter from some constituents in Illinois advising that a Chief of Police in Illinois had recently saved the lives of 2 children during a flood there and they want to know if there is any medal that can be presented to him for his heroism. Thus Mr. Bertrand was checking to see if the Bureau offered any medal. After checking, he was referred to Mr. Crosby in Mr. Nichols' Office.

Mr. Crosby advised him that the Bureau does not present any medals for heroism. Mr. Crosby asked him for further facts concerning this Chief of Police and Mr. Bertrand stated he would send the facts over. Mr. Crosby believes that perhaps the Director might like to write this Chief of Police a letter for his actions in saving the lives of the 2 children.

Mr. Crosby will follow on the matter.
